

Knowledge Management

30 Oct 2001

Code 8024

**Naval Surface Warfare Center, Crane
Division**

812-854-1815

Our Vision

*“Bringing the Power of the ‘Information Age’
to the Warfighters and their Support Force”*

Goals

- Knowledge Superiority
- Building a “Clicks and Steel” Knowledge Organization
- Exploiting Knowledge Management

Our Direction

- distinguish knowledge from mere information
- provide a facility for producing knowledge from data and information
- deliver access to data and information

What we are doing?

- Technical Data Center
 - Knowledge Sharing Environment
- IETMs
 - Knowledge Sharing Environment
- Enterprise Knowledge Portal
 - Collaborative Environment for Knowledge Gleaning

Data with organization is
information.

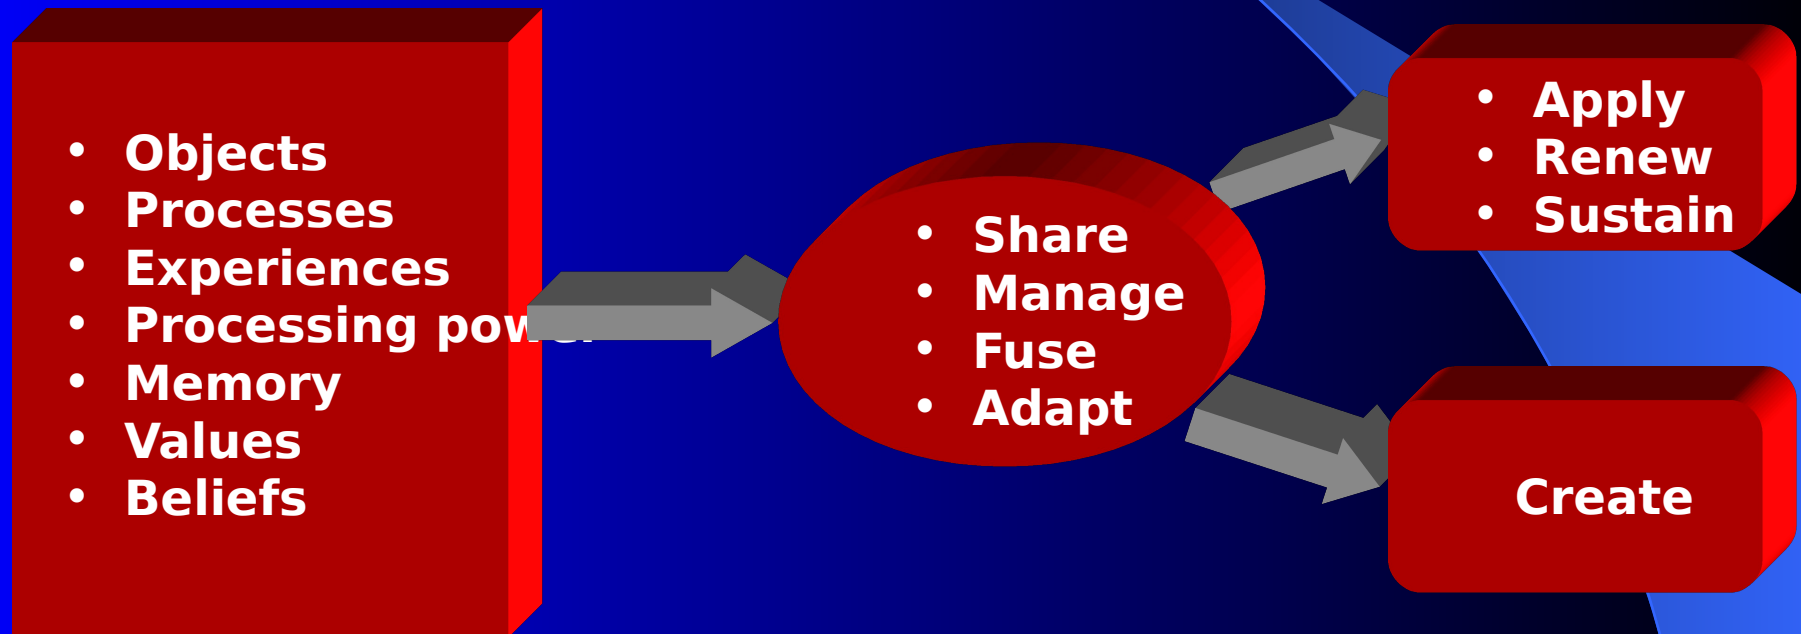

Information with
understanding is knowledge.

A glowing yellow lightbulb is centered in the background of the text box, with its filament visible and a soft glow emanating from it.

*Better
Faster
Consistent
More Informed
Decisions*

Knowledge Creation?

What is Knowledge Superiority

- Knowledge Access
- Knowledge Infrastructure
- Knowledge Content
- Knowledge Integration
- Knowledge Tools
- Knowledge Organizations
- Knowledge Doctrine or Processes
- Knowledge Performance
- Knowledge Business
- Knowledge Protection

KS Challenges

- **Leadership “buy-in”**
- **Platform-centric culture**
- **Knowledge Management for wireless technology**
- **Web enabling**
- **“Knowledge-portal(s)”**
- **What information “counts”?**
- **Acquisition Cycle**
- **Connectivity**
- **Legacy systems**
- **Dispersed Forces**

Knowledge Management Opportunities

Organize for Speed

- Distributed problem solving
- Collaborative planning
- Automate work flow
- Structure integrated, non-redundant data bases

Create Flexible Organizational Framework

- Enable parallel vs. sequential functions
- Integration management
- Consequence management
- IT Professionals

Add Real Value

- Become digital leaders
- Become change managers
- Add "truth" to collective understanding
- Involve stakeholders
- Horizontal Integrator

Engineer for Power of Collective Understanding

- Web enablement
- Network services
